

Philosophy Inventory

Check Yes or No on whether you believe the district as well as your assigned school has the proper mindset

Mindset	District		Your Assigned School	
	Yes	No	Yes	No
Belief that all children can learn				
Focus is on meeting the needs of all children				
Belief that parents have a wealth of knowledge about their child and should be worked with as partners				
Belief that teachers should work collaboratively to develop solutions and strategies				
Proactive instruction should take place within the general education classroom				
Prevention is more cost effective than remediation				
All necessary resources should be utilized to meet the educational needs of all children				
Effectiveness of educational strategies should be evaluated frequently				
Accurate information about student progress should be communicated regularly				
Opportunities should be provided for all children to achieve their goals				
The best educational strategy is the one that works!
